

Name of Faculty Designation	Mrs. Divya Ebenezer Nathaniel Assistant Professor
Email id	divyaebenezer.ce@bitseducampus.ac.in
Contact number	0265-2303991- EXT:903
Total Experience	13Years and 6 M
Teaching Industry	13Years and 6 M -
Professional Summary	1.Currently Working as Assistant Professor in Computer Science and Engineering Department Bits Edu Campus Varnama from June 2006 teaching many different subjects for different level students 2. Worked for 2 years during June 2004 to April 2006 as Lecturer in Magna Insitute of Technology ,Magaral, Chennai,Tamilnadu .
Current Activities	1.Departmental GTU coordinator in Examination committee. 2. Guiding and mentoring students for their betterment in carrier.
Specialization Areas	Networking, Programming Languages,Distributed System, Image Processing
Subject Taught (UG)	Software Engineering, Distributed operating system, Object oriented programming with java, Computer Programming and Utilization,Data Structures, Computer Architecture, Operating System, Computer networks, Operating System Design .
Qualifications	M. Tech (Information And Technology) (2008 to 2010) (First class) CEG Campus Guindy Anna University Chennai Tamil Nadu B.E. (Computer Science and Engineering) (2000- 2004) (First class with distinction) Madras University -AMACE College Kanchipuram Tamil nadu
Skills Achievements	Registered in “SWAYAM COURCES” for developing different knowledge and skill Guided about 25 UG projects
Research Project Publications	Performance Analysis of Data Hiding Algorithm on VQ Compressed image 1. Multilevel Histogram based data hiding on VQ Compressed Image- International conference -MAIMT - Hariyana-April-2010 2. Performance Analysis of Clustering Based Data hiding on VQ Compressed Image-NUCSOFT-cochin- National conference-June2010
Activities and honours	1. Faculty development program on DB2 and Web sphere - IBM - Babaria Institute of technology 2007 Varnama, Vadodara, Gujarat. 2. Workshop on UML Diagrams -Babaria Institute of technology 2007 Varnama, Vadodara, Gujarat. 3. Workshop on Network Security -Anna University 2009. 4. A Seminar on Software Analysis and Design- Anna University2009. 5. A Seminar on Ontology and Content Management on Semantic Web -Anna University 2010. 6.Attended 5 days “SOFT COMPUTING”, Short term Training Program ,Sponsored by GUJCOST ,during Dec 23-28, 2013, Department of Computer Science and Engineering, Babaria Institute of Technology, Varnama, Vadodara, Gujarat. 7. Attended 1 day “INTERNET OF THINGS”, Sponsored by GUJCOST , NATIONAL SYPHOSIUM on Feb 15, 2016 Department of Computer Engineering, G.H Patel college

VV Nagar, Gujarat,

8. Attended 6 days “AUTOMATED OPTICAL INSPECTION” A Project Development industrial Training during June 6 to 11, 2016” from EARTH TEKNIKS Vadodara, Gujarat. India.
