

Name of Faculty	Nidhi Mayurkumar Thaker
Designation	Assistant Professor
Email id	nidhithaker.ec@bitseducampus.ac.in
Contact number	8460235966
Total Experience	
Teaching Industry	02 years 06 months -
Professional Summary	Working as Assistant Professor in BIT from 2017. Worked as Assistant Professor in Parul Institute of Technology, Vadodara.
Current Activities	Departmental Student and Faculty Activity and achievement Coordinator
Specialization Areas	Antenna and Wave Propagation
Subject Taught (UG/PG)	Circuit and Network Analog Circuit Design Microprocessor and Interfacing Elements of Electrical Engineering Basic Electronics Electrical and Electronics Workshop Antenna and Wave Propagation
Qualifications	M.E (Electronics and Communication) (2015)(CPI 8.97) Gujarat Technological University , Ahmedabad B.E. (Electronics and Communication) (2013) (CGPA-8.93) Gujarat Technological University-Ahmedabad
Skills	Simulation Software proficiency like MATLAB, Multisim, OrCad, Pspice.
Achievements	Nil
Research Project	Nil
Publications	<ul style="list-style-type: none"> • A Review on Circular Microstrip Patch Antenna with Slots for C Band Applications, International Journal of Science & Engineering Research, December 2014. • Parameter Optimization of Circular Microstrip Patch Antenna using Adaptive Neuro Fuzzy Inference System (ANFIS), International Conference on Information and Communication Technology, 2015
Activities and honours	<ul style="list-style-type: none"> • Attended GUJCOST sponsored two day seminar on “ Recent Trends in Power Electronics and Embedded systems” on 4th -5 th January 2019 at Babaria institute of Technology, BITS Edu Campus. • Attended FDP on “IoT” on 25th March 2018 at Babaria institute of Technology, BITS Edu Campus
Grant Received	Nil
